Prices are subject to change without notice. While we strive for accuracy, mistakes happen. In the event of an incorrect price on a quote or order, you will be notified by email or phone, and given the option to accept the corrected price or cancel the order.

TILLÄMPLIGHET

Dessa allmänna försäljnings- och leveransvillkor gäller om de ej ändras genom skriftlig överenskommelse mellan parterna.

1. FÖRPACKNING

I prislistor, anbud och avtal angivna priser innefattar kostnaden för produktförpackning, som under normala transportförhållanden erfordras för att förhindra skada eller försämring på godset.

Kostnader för transportemballage, pall samt pallkrage tillkommer.

2. ANBUDSHANDLINGAR OCH RITNINGAR

Av säljaren lämnat anbud/offert gäller under 30 dagar från köparens mottagande av anbud/offert och köparens accept skall vara säljaren tillhanda inom denna tid.

Oaktat detta har säljaren rätt att under giltighetstiden när som helst återkalla sin offert såvida inte accept har skett.

Anbud/offert, ritningar och andra handlingar, som av säljaren överlämnats till köparen, förblir säljarens egendom. De får ej utan säljarens medgivande användas av köparen eller kopieras, reproduceras, utlämnas eller på annat sätt bringas till tredje mans kännedom.

3. PRISUPPGIFTER

Angivna priser gäller Ex Works (INCOTERMS), exklusive mervärdesskatt, andra skatter eller pålagor. Säljaren kan, mot särskild ersättning, åtaga sig arbete med uppackning, montering och uppställning av godset på plats anvisad av köparen samt omhändertagande av förpackning eller emballage. Om köparen begär längre leveranstid än tre månader från beställningsdagen, äger säljaren rätt att ändra priser med den procentuella förändringen av svensk Kontorsmöbelindex mellan beställnings- och leveransdag. Fraktkostnad debiteras separat.

Köparen är införstådd med att säljaren kan komma att köpa in produkter eller delar av dessa från underleverantör i annat land än Sverige. I anbud/offert eller i prislista angivna priser utgår från vid anbudstidpunkten gällande valutakurser och säljarens kostnader vid sådana inköp. Säljaren förbehåller sig rätten att justera priset vid valutakursförändring som överskrider +/- 10 %.

4. ÄNDRING I PRODUKT

Säljaren förbehåller sig rätten till förändringar i konstruktions- och modellutföranden samt därav uppkomna prisjusteringar.

5. PROVMÖBLERINGAR, PROTOTYPER M.M.

Provmöblering kan ske efter särskild överenskommelse om detta. Köparen ska svara för kostnader för transport av produkterna mellan tillverkarens fabrik eller lager, och platsen för provmöblering samt stå risken i förhållande till säljaren för att de produkter som omfattas av provmöbleringen skadas eller förstörs under provmöbleringsperioden eller transporten. Köparen är skyldig att ersätta säljarens skäliga kostnader för framtagande av prototyper, provexemplar och dylikt om detta efterfrågats av köparen. Köparens skyldigheter enligt denna punkt innefattar t.ex. kostnader för framtagande av särskilt anpassade tillverkningsverktyg och materialkostnader.

6. LEVERANS

Leveranstid anges på säljarens orderbekräftelse och avser tid för leverans från säljarens fabrik. Leverans sker Ex Works (INCOTERMS) säljarens fabrik i enlighet med de INCOTERMS som är gällande vid ordererkännandets utfärdande. Om annat inte framgår uttryckligen av ordererkännandet sker alla transporter på köparens bekostnad och köparen ska ersätta säljaren för sådana transportkostnader utöver i anbudet/offerten eller i ordererkännandet angivet pris för produkten.

7. KÖPARENS DRÖJSMÅL ATT TA EMOT LEVERANS

Inser köparen att köparen inte kommer att kunna ta emot leveransen i enlighet med leveransplanen ska köparen snarast underrätta säljaren om detta skriftligen. Meddelandet ska innehålla orsaken till förseningen och, om möjligt, den tidpunkt då köparen istället kan ta emot leveransen. Om köparen underlåter att ta emot leverans på avtalad tid är denne ändå skyldig att fullgöra avtalad betalningsplan och betala som om leverans hade skett. Köparen är också skyldig att ersätta säljaren för de eventuella merkostnader säljaren orsakas till följd av detta i form av t.ex. inställda lastnings- eller monteringsarbeten etc.

Under tiden köparens dröjsmål pågår ska säljaren ombesörja förvaring av Produkten på köparens risk och bekostnad. Om köparen inte förmår ta emot produkterna i rätt tid har säljaren rätt till vite. Vitet ska uppgå till 1,5% av det avtalade priset för den del av produkterna som dröjsmålet gäller och ska utgå för varje påbörjad sjudagarsperiod från den dag då leveransen skulle ha skett och så länge dröjsmålet varar. Vitet avser bl.a. säljarens kostnader för förvaring och hantering. Om säljarens verkliga kostnader till följd av köparens dröjsmål överstiger ackumulerat vite har säljaren rätt till ersättning även för sådana kostnader. Säljaren är skyldig att försäkra produkterna under tid den förvaras med anledning av köparens dröjsmål endast efter skriftlig begäran av köparen och först sedan köparen i förskott ersatt säljaren kostnaderna för sådan försäkring. Om köparens dröjsmål varat mer än 10 veckor får säljaren skriftligen kräva att köparen tar emot leveransen inom en skälig tidsfrist, vilken ska vara minst 14 dagar. Underlåter köparen att ta emot produkterna inom tidsfristen har säljaren rätt att skriftligen häva Avtalet avseende den del av leveransen som inte kunnat fullgöras till följd av köparens oförmåga att ta emot leveransen. Häver säljaren Avtalet eller del av Avtalet med hänvisning till köparens dröjsmål har säljaren rätt till ersättning för den direkta skada säljaren lider till följd av köparens dröjsmål. Ersättningen får aldrig överstiga det avtalade priset avseende den del av Avtalet som hävts. Krav på vite och/eller skadestånd ska framställas skriftligen senast inom 30 dagar från det att maximalt vite uppnåtts eller, i förekommande fall, från det att säljaren hävt avtalet. Försummas detta förlorar säljaren sin rätt att kräva vite och/eller skadestånd med anledning av dröjsmålet i fråga varvid kravet inte heller får åberopas till kvittning.

8. BETALNINGSVILLKOR

Köparen skall erlägga betalning för levererat gods inom 30 dagar från fakturadatum. Säljaren äger rätt att ej leverera godset om köparen kan antagas vara på obestånd och köparen ej erlägger betalning I förskott eller ställer av säljaren godkänd säkerhet för betalning. Om köparen ej betalar i rätt tid, är säljaren berättigad att från fakturans förfallodag tillgodoräkna sig dröjsmålsränta, som med åtta procentenheter överstiger Riksbankens referensränta. Köparen har inte rätt att hålla inne någon del av betalningen till kvittning med anledning av krav köparen har mot säljaren.

9. ÄGANDERÄTTSFÖRBEHÅLL

Levererat gods förblir säljarens egendom tills dess full betalning erlagts. Vid delbetalning skall, om återtagande av gods sker, säljaren ensidigt bestämma vilken del av leveransen som kvarstår obetald. Köparen skall hålla levererat gods betryggande försäkrat till dess äganderätten till godset övergått till köparen.

10. SÄLJARENS DRÖJSMÅL MED LEVERANS

Inser säljaren att leverans inte kommer att kunna ske i rätt tid ska säljaren snarast underrätta köparen om detta skriftligen. Meddelandet ska innehålla orsaken till förseningen och, om möjligt, den tidpunkt då leverans beräknas kunna ske. Om leveransförseningen beror på någon omständighet på köparens sida har säljaren rätt till skälig förlängning av leveranstiden.

11. MONTERING OCH INSTALLATION

Såvida annat inte framgår uttryckligen av ordererkännandet skall montering och installation av Produkten ske genom köparens försorg och på köparens bekostnad. Montering och installation ingår således inte i avtalat pris såvida inte detta framgår uttryckligen av ordererkännande. Har parterna avtalat att säljaren ska utföra montering och installation på en av köparen bestämd plats ska köparen på platsen se till att:

(a) tillfartsvägar och, i förekommande fall, hissar är tillgängliga för säljaren;
(b) lagringsutrymmen och uppackningslokaler står till säljarens förfogande;
(c) andra arbeten inte förhindrar eller försvårar installationen samt att lokalerna är avstädade för installation;
(d) arbetena utan hinder kan utföras av säljaren i en sammanhängande följd och på ordinarie arbetstid, dvs. vardagar mellan kl. 07.00 och 17.00;
(e) säljaren har fri tillgång till elkraft och belysning under hela installationstiden;
(f) lokaler och förvaringsutrymmen under installationstiden är låsta och larmade på betryggande sätt och nycklar disponibla för säljaren; och
(g) om leverans omfattar produkter som ska förankras i golv, vägg eller tak, att bärigheten i och konstruktionen av dessa klarar detta.
Köparen ska ersätta säljaren för det arbete och kostnader som uppkommer för säljaren med anledning av att köparen inte uppfyller sina förpliktelser enligt punkt (a)-(g) ovan. Såvitt gäller punkten
(f) ovan ansvarar köparen för stöld och skador på platsen som, oberoende av vållande hos köparen eller dennes personal, drabbar levererat gods och/eller verktyg avsedda för leveransen. Framdragning och inkoppling av el-, vatten-, avlopps- eller liknande ledningar ingår inte i säljarens åtaganden.

Begär köparen ändring i eller tillägg till avtalade eller redan utförda monterings- eller in- stallationsarbeten ska kostnaden för detta vara avtalad och skriftligen bekräftad av säljaren innan säljaren är skyldig att påbörja sådana arbeten.

Om det i samband med montering eller installation framgår att ytterligare arbete krävs eller bör utföras utöver vad som tidigare avtalats (ÄTA-arbeten) ska säljaren utan dröjsmål inhämta köparens godkännande till sådana ytterligare arbeten. För det fall att säljaren gör bedömningen att kostnaden för sådana ytterligare arbeten understiger av parterna överenskommet gränsbelopp krävs emellertid inte köparens föregående godkännande utan säljaren har då rätt att utföra arbetet ifråga men ska utan dröjsmål därefter underrätta köparen om det arbete som utförts och kostnaden för detta. Såvida inte annat skriftligen avtalats ska gränsbeloppet motsvara en tiondels prisbasbelopp.

12. ANSVAR FÖR FEL

Säljaren förbinder sig att avhjälpa genom bristfälligheter i konstruktion, material eller tillverkning uppkommande fel, som upptäckts inom fem år från den dag godset levererades. Säljarens ansvar för fel förutsätter att godset behandlats enligt de skötselanvisningar som finns för godset, att godset

används rätt och för det ändamål det är avsett, att godset underhållits, att godset inte utsatts för onormal förslitning, att godset monterats riktigt när monteringen inte utförts av säljaren och att felet inte beror på att köparen föreskrivit visst material eller viss konstruktion. Avhjälpande av fel kan ske, efter säljarens val, genom reparation eller utbyte av levererat gods.

Säljaren skall anses ha fullgjort sin skyldighet för felet när nytt gods sänts till den adress dit det felaktiga godset levererades av säljaren eller om säljaren valt att reparera, när reparationen genomförts. Om säljaren levererat det felaktiga godset till köparens kunds adress skall säljaren anses ha fullgjort sin skyldighet om han levererar godset till köparens lager.

Köparen skall skriftligen lämna säljaren meddelande om felet senast inom sju (7) dagar från dagen då felet upptäckts. Meddelandet skall innehålla en beskrivning av felet. Om felet kan orsaka skada skall köparen reklamera omedelbart. Om köparen inte reklamerar i enlighet härmed har han förlorat sin rätt att rikta anspråk på grund av felet.

Felaktigt gods skall på säljarens begäran tillfalla säljaren och köparen skall på säljarens begäran svara för att det felaktiga godset sänds till säljaren på dennes bekostnad. Om leverans omfattar väggsystem eller gods som skall förankras i vägg ansvarar köparen för väggarnas bärighet. Bärlister skall monteras av fackman enligt säljarens anvisningar. Om det visar sig att köparens reklamation varit obefogad, tex på grund av att inget fel förelegat, skall köparen betala säljarens kostnader på grund av reklamationen.

13. ANSVAR FÖR VARANS SKADEBRINGANDE EGENSKAPER

Säljaren ansvarar inte i något fall för skada, som drabbar köparen till följd av att varan orsakat skada på annan egendom av vad slag de vara må. Säljaren är heller inte ansvarigt gentemot köparen för ersättningsanspråk från köparen som grundas på skadeståndsanspråk från tredje man, däri inräknat hos köparen anställd personal, till följd av personskada, annat än i sådant fall, då köparen enligt lag haft att svara i säljarens ställe och förutsatt att säljaren beretts tillfälle att samråda med köparen vid handläggningen av köparens skadereglering i förhållande till skadelidande tredje man och efter säljarens val; då säljaren beretts tillfälle att överta köparens skadeståndsskyldighet, eller, om den skadelidande inte medger ett sådant övertagande, då säljaren beretts tillfälle att självständigt föra köparens talan mot löfte att hålla köparen skadeslös i tvisten. Säljaren svarar fullt ut och i enlighet med gällande lag i de fall tredje man ställer anspråk direkt mot säljaren grundande på skadebringande egenskaper hos varan. Köparen skall dock i sådant fall ersätta säljaren i den mån skadan uppkommit till följd av att köparen åsidosatt säljarens anvisningar för användning av varan eller inte vidareförmedlat säljarens villkor i förhållande till köparen beträffande varans användning.

14. TRANSPORTSKADA

Om skada på gods kan antagas ha inträffat under transporten, skall köparen anmäla skadan inom sju (7) dagar från godsets mottagande. Bifoga kopia på kvitterad fraktsedel och följesedel med anteckningar om vad som är skadat (foto på skadan kan bifogas). Synliga skador på emballage/gods skall ovillkorligen noteras på fraktsedel vid mottagande av gods. Reklamerat gods måste finnas tillgängligt för besiktning av försäkringsbolag i tre månader, från och med anmälningsdatum. Behandling av reklamationsärende sker i enlighet med NSAB respektive CMR-konventionens bestämmelser. Om anmälan ej inkommit enligt ovanstående, frånsäger sig AB Edsbyverken allt ansvar vad gäller ersättning av det skadade godset.

15. SKADESTÅND

Säljaren är inte skyldig att på grund av fel eller brist i godset, vid försening av leverans eller om godset haft skadebringande egenskaper, utge någon ersättning till köparen för utebliven vinst eller annan indirekt skada. Är ena parten skyldig att utge skadestånd till den andra, skall skadeståndet täcka endast sådan skada, som den felande parten skäligen kunde ha förutsett vid tiden för avtalets slutande. Ersättning för skada må under inga omständigheter överstiga ett belopp motsvarande värdet av det gods som orsakat skada.

16. FORCE MAJEURE

Om part, inklusive parts underleverantör, är förhindrad att fullgöra avtalet som en följd av en händelse utanför dess kontroll (inklusive men inte begränsat till, strejk, brand, översvämning, extrem väderlek, naturkatastrofer, krig, uppror, invasion, skadegörelse, sabotage, upplopp, terrorism, embargon, knapphet på transportmedel, allmän varuknapphet eller ny lagstiftning) och vilken händelse inte rimligen kunde förutses vid Avtalets ingående, är parten befriad från skyldighet att fullgöra Avtalet. Så snart befrielsegrunden upphört ska fullgörelse i enlighet med Avtalet återupptas. Skulle fullgörelsen uppskjutas med stöd av denna punkt under mer än sex månader äger vardera parten rätt att säga upp avtalet med omedelbar verkan. Part som vill hävda befrielsegrund enligt ovan ska snarast under rätta motparten om detta skriftligen.

Part ansvarar inte för skada eller förlust som kan uppstå som en följd av att partens fullgörelse skjuts upp med hänvisning till punkten ovan. Oaktat det föregående är köparen alltid skyldig att ersätta säljaren för de kostnader som denne åsamkas för att säkra och/ eller skydda produkterna om befrielsegrund enligt punkten ovan hindrar köparen från att ta emot leverans.

17. IMMATERIELLA RÄTTIGHETER

Ingen del av anbudet, offerten eller ordererkännandet innefattar en överlåtelse eller upplåtelse av några immateriella rättigheter eller know-how av något slag. Förslag, skisser, konstruktioner, ritningar och annan information som tillhandahållits av part ska förbli den partens egendom och får inte utan partens medgivande användas för annat ändamål än det för vilket det tillhandahållits enligt anbudet, offerten eller ordererkännandet och får inte kopieras, utlämnas till eller på annat sätt bringas till tredje mans kännedom. Köparen ska ersätta säljaren för alla skador, krav, kostnader och utgifter som följer av intrång eller påstådda intrång i patent, upphovsrätt, varumärkesskydd, mönsterskydd eller andra immateriella rättigheter som säljaren gör sig skyldig till som en följd av att säljaren följt köparens instruktioner, krav, anpassningar eller specifikationer avseende produkternas utformning, design eller motsvarande.

18. ORDERERKÄNNANDE

Order läggs när anbud/offert är till 100% godkänd av köparen. Det åligger köparen att säkerställa att anbud/offert speglar de produkter och priser som överenskommits. Vid anbud/offert gäller priser och villkor endast odelad anbud/offert. Detta gäller ej produkter ur Edsbyns standardsortiment till standardpriser med avtalad rabatt som finns i prislista eller i my.edsbyn.com. Vid ändring av erbjuden anbud/offert skapas nytt anbud/offert för godkännande innan order läggs.

19. ÄNDRINGAR AV ORDER

Avbeställningar, orderändringar, ändringar av ritningar eller andra ändringar som köparen vill göra efter utsänt ordererkännande är gällande endast om dessa skriftligen överens kommits mellan parterna. Det åligger köparen att noggrant kontrollera att ordererkännandets och/eller orderkvittensens innehåll överens stämmer med beställning och ordern. Anmärkning på ordererkännande och/eller orderkvittens ska ske senast 2 arbetsdagar från det att säljaren skickat ordererkännande och/eller orderkvittens, varefter köparen inte har rätt att invända mot innehållet i ordererkännandet. Vid överenskommen ändring av order har säljaren alltid rätt till ersättning för alla kostnader som säljaren drabbas av till följd av detta, t.ex. men inte begränsat till avbeställningar hos underleverantörer, ändrad leveransplan, etc.

Om en överenskommen ändring av order påverkar tidigare överenskommen leveransplan har säljaren vidare rätt att justera leveransplanen. Säljarens rätt till ersättning för kostnader och rätten att justera leveransplanen gäller oavsett om säljaren förbehållit sig sådan rätt eller inte i samband med att parterna överenskommit om en ändring av ordern. Såvitt gäller justeringar i leveransplan åligger det säljaren att så snart som möjligt sedan säljaren fått besked från sin underleverantör informera köparen om omfattningen av sådan justering.

20. PRESTATIONSPLATS

Prestationsplatsen för leverans och betalning är Edsbyn/Sverige

21. TILLÄMPLIG LAG OCH TVISTER

Svensk lag ska tillämpas. Tvister som uppstår i anledning av dessa villkor ska slutligt avgöras genom skiljedom enligt Regler för Förenklat Skiljeförfarande för Stockholms Handelskammares Skiljedomsinstitut. Skiljeförfarandets säte ska vara Stockholm. Det svenska språket ska användas i förfarandet.

Vi förbehåll oss för ändringar och tryckfel i prislistan samt rätten att göra prisjusteringar utan förvarning.
